

A Running of the Bulls©2022
A Musical
by Steve Pinkerman

An east side love story that fate begins at this yearly small town's big company picnic.

A chance meeting at this normally boring outing leads two shy hearts down a path to battle bullies, stand up to stereotypes and play down prejudices.

A young woman goes to her parents picnic just to see the band that is playing but ends up getting her heartstrings plucked by a shy young man from the next town over.

But these two high school teens do not hear the nay sayers, listening only to the sweet harmonies of love and find their destiny at the rock concert of life!

Scene 1

Company picnic in the park in a suburb of Cleveland, Ohio. Tables and chairs set with fold down facades covering tables with food, drink sponsor. Riser at rear of stage, with a trombone on stand and band jacket and hat, a banner of Tuttleton Company Picnic above.
Time: Summer 1986

Scene 2

Starts at pavilion hall then facades folded down for reception at Blushing Bride, Grand Royal Ballroom in a suburb of Cleveland, Ohio. Stage is the same with table facades removed to expose banquet dinner ware settings.
Time: Fall 1990

HENRIETTA walks to riser waving, to
give welcome speech.

HENRIETTA

Hi it's good to be here today. I would like to welcome you
all to our 78th Tuttleton company picnic. I'm glad to see so
many of your happy faces. There's food and drinks here, so
thank everyone who slaved over the stove for all the yummy
looking dishes.

And thank you to those of you who brought tasty treats for desert, they do look delicious. Plus there's fun and games, something for everyone.

And to end the days festivities we have a special show for all of you crocodile rockers, Capptann Cameeleeann and the Crickets will be playing in the pavilion. And for you hoppin' and boppin' folks there is a bigger dance floor this year, so let it all hang out.

Applause

When grandpa Ben and his brother Oscar first started Tuttleton, they would work 18 hours a day in his garage. Grandma would bring them lunch and dinner. This went on for about 2 years when one day they took the afternoon off to have lunch outside, and viola, first company picnic.

Laughs

They spent long hours building what they believed in and never complained about it. It's what they did since, "that's the way to succeed", as they said. Their spirit continued with dad and I.

And all of you, but with less hours a day. Thank you for that.

I look back now at the memories we've made in my time here with all of you and it brings me back to when I first started. 12 years old cleaning the offices on summer vacation. Now more than 50 years later I still recall grandpa's words of wisdom he gave me that day.

"Henrietta", he said "The secret to success is the Circle of Business. Treat your customers as friends and they will be loyal to you. Be loyal to your employees make them feel like family and they will put their heart and soul in to their work. And they will make a heartfelt, quality product that builds a loyal customer base".

Well he knew what he was talking about and I'm so glad we kept to it all these years. We have 143 full time and 30 plus part time employ... family members. Sales are great!

Grandpa though, would be so nonchalant about this, saying "See I told you so."

(With a sly smile to the audience.)

WE miss him but he is always here inside us.

Mom and Dad always loved picnic day too. All of the families coming together and having fun. The excitement of the planning and all the smiling happy faces when the day arrived. The good food and drink. Unfortunately they will not be here anymore either. They've moved on to that better place and they will be missed too.

A sad aw from the crowd.

Oh sorry, no, you might have misunderstood. They've moved on to a better place in Florida. You know "Old People", it's instinctive to migrate to retirement villages in a warm climates.

VOICE

You could have led with that, Henrie.

Laughter from the crowd.

HENRIETTA

(Poetically)

And as my grandfather clock will be losing it's tune.

I will pass the torch to my daughter Geraldine in the coming future, sometime soon.

So Glavin and I can spend our days in the warm sun and moon.

Enjoying all of those early bird specials for "Old People" each and every afternoon.

Laughter from the crowd.

I have one last memory to share with you before we officially start. It's from my youth. It's about growing up around such a great group of family and friends. And a man I admire still.

Trombone player on riser, puts on jacket and picks up trombone and fake plays it.

HENRIETTA

Thank you all for being part of my family and have a great time at this years Tuttleton company picnic.

Applause

SINGERS mingle.

TIFFANY enters from left and pauses. STEVE enters from right stage carrying desert tray and pauses. Their eyes momentarily meet and they smile. TIFFANY waves and rushes pass STEVE to KAYCEE. STEVE watches her go pass, dejected he walks over to food table, still holding dish.

TIFFANY and KAYCEE to front side of stage.

KAYCEE

Hi TIFF I'm glad to see you. Now this may not be such a bad day.

LILITH, LILLIAN and PEARL
congregate mid center stage.

TIFFANY

(Chuckling)

I've got it worse than you. At least you know some of the kids since you go to school with them. I'm stuck at Avondale and most of them are too stuck up to come to something like this. And some of your friends don't seem to like me since I go there. They think I'm like that too.

LILITH

(Poetically)

Look at her, doesn't she care?
Coming to a social event like this and she doesn't do her hair?

LILLIAN

(Poetically)

That stuck up rich girl with no flair.
And KAYCEE who has been her friend since daycare.
Then getting everything else so she can climb up that golden
pay stair.

PEARL

(Poetically)

Although she thinks her stuff does not really stink, I do not
care.
She hasn't a world like mine to compare.
She could even be all wrapped up in mink and I will declare
that I think

(Snottily)

I am so much prettier than her.

LILITH and LILLIAN look at PEARL
with contempt.

KAYCEE

Just 'cuz I have to associate with them doesn't mean they're
my friends. I'm kinda' stuck too. Besides, they are the ones
who are stuck up with their stereotypes and prejudices.

LILITH

(Poetically)

Every time it is she that I see, my eyes then do begin to
bleed green from her ivory tower seed, from which I can never
feed.

LILLIAN

(Poetically)

They make such a pair, and a big scare, leading a life of
fancy clothes to wear, but yet neither as much of a prize as
me to snare.

PEARL

(Poetically)

Theirs is a world of make believe, that they did nothing to have to achieve, given to them from daddy's hand me down sleeve, I know that

(Snottily)

I am still better than all of you.

LILITH and LILLIAN look at PEARL
with disgust.

LILLIAN

(Scolding PEARL.)

Really, he wrote such a beautiful endings and you ruin them. This is our big solo moment. You get a song but this is all we have! You always gotta' add your 2 cents and make sure you are the one in the spotlight. Always gotta' be the attention grabber.

LILLIAN storms to rear corner of
stage.

LILITH shakes her head and follows
to comfort.

PEARL wanders away.

TIFFANY

(Nodding in agreement.)

Yeah it's the same at my school, they all look down at you from West High. Hopefully college will be different.

KAYCEE

And a lot of new boys. Most of them that I know here aren't worth the trouble and attitudes they bring.

TIFFANY

The guys at Avondale are so in to themselves, thinking they are God's gift to the world. It must be a male thing.

(They both laugh.)

Speaking of guys do you know who he is, standing next to the dessert table? I bumped in to him last year for second and never did get him out of my mind.

KAYCEE

Not really. His dad works in some department here and he comes with his parents to all the company events. I think his parents make him come so they can keep an eye on him. He usually keeps to himself when he's here. They're from the east side of the river. I've heard it's bad neighborhoods over there.

TIFFANY

Shame on you for spreading stuff like that. It looks like your friends are rubbing off on you in a bad way. Graduation won't come a minute too soon for us.

(KAYCEE apologetically nods
in agreement.)

KAYCEE

Yeah he is cute, I'll give ya' that. I could use a drink, why don't you go get me one.

Nudging TIFFANY in that direction.

DILLON walks over to STEVE.

DILLON

Yo Kazlo my man. What ya' got there?

STEVE

Some peach and apple caramel desert tamales.

TODD, TOBY and TYLER congregate mid
center stage.

DILLON

Desert tamales, never had them. Sound good? Where'd you buy them? Ha Ha.

DILLON picks one up taking a bite.

STEVE

(Shyly)

I made them.

(DILLON shocked.)

DILLON

Dude! No way! These are awesome. Why didn't you ever say anything? I've known you for 6 years now, and your just tellin' me?

TYLER

(Poetically)

Look! The freak from the east, made it again this year.

TOBY

(Poetically)

And his lame buddy the music musketeer, who's tune in the band rings badly in my ear.

TODD

(Poetically)

If we show them who's boss and make it perfectly clear, hopefully they will leave here and just simply disappear.

STEVE

(With a saddened a look.)

You know what it's like with all the jocks and you being in the band. Well just multiply that a few times if anyone ever knew that I cook and bake. It's bad enough what everyone thinks of me just because I live on the east side and go to that special tech school. No need to add fuel to the fire.

TYLER

(Poetically)

For our laughs we can taunt and cruelly tease, then make them pay and say please... for just about anything.

TOBY

(Poetically)

We'll give them a haunt, and to tear at their heart, which we've turned into such useless art... in our egotistical senseless boxing ring.

TODD

(Poetically)

Here in this fleeting inconsequential world where we will jaunt, we are the ones that all will want to see. Then a gift of a graduation day key, will finally set them all free, from this land where we... are only a momentary king.

DILLON

You know, they'll get theirs. Karma can be a bitch!

They both nod and laugh.

STEVE

(Kind of nervous.)

Speaking of karma, do you know who that girl is over there? I was in line next to her last year but was too scared to talk with someone as beautiful as her. And I didn't see again that day. Since then I couldn't stop thinking of her. Now she's here again.

STEVE staring in TIFFANY'S
direction.

DILLON

She's TIFFANY something. She's one of those stuck up ones from Avondale Prep. All the "Richie Riches" go there. She's friends with KAYCEE. They live by each other in the west end. Both of her parents are big shots at Tuttleton's.

She's definitely out of your league. Sorry dude.

I see Paula by the registration table, I think I need sign up for some of the fun and games. Come on, let's go.

STEVE

I'll be there in a sec', I want to grab a soda first.

DILLON exits.

STEVE still holding tray and
staring in TIFFANY'S direction,
then turns attention to table.

KAYCEE chiding TIFFANY.

TIFFANY

No I can't talk to him. Who knows what he thinks of me?

KAYCEE

Well the guy he was just talking to, isn't as bad as the rest of them. He's in a couple of my classes. He's a bit shy and he's a...

(Somewhat lovingly.)

Band geek.

(More focused.)

Just say you're getting a drink. And grab me one while you're there.

You'll never know, unless you give it a go girl.

STEVE roams around table, focused
on it.

KAYCEE pushing TIFFANY away.

TIFFANY crosses stage to desert
table and STEVE bumps in to her.

STEVE

Oh excuse me, I wasn't paying attention. I was trying to find a spot for the desert I made.

TIFFANY

Desert? You made?

(Flashing that incredible smile.)

STEVE

Uh,... did I say that out loud? Yeah but don't spread that around. You don't know me but I have enough issues with the kids from West High.

This is not something they need to know.

TIFFANY

What did you make?

STEVE

Desert tamales, peach and apple caramel.

TIFFANY

Peach tamales? Wow they sound scrumptious. Where did you learn to make them?

STEVE

From my mom, but they come from her grandma's recipes. She came from El Salvador, Great Grandpa Ben met her when he was down there mining for something or another.

TIFFANY

Did he strike it rich?

STEVE

Only by finding the Latina blood of Great Grandma Rosalita.

(TIFFANY chuckles with a
loving look in her eyes,
almost tearing up.)

TIFFANY

(Focused)

What school do you go to?

STEVE

I live in Surflake on the other side of the river and go to
East Tech. I'm sure you've heard the stories about it?

TIFFANY

I don't believe in stereotypes and innuendo.

TIFFANY extending her hand.

HI I'm TIFFANY. TIFFANY LODEN.

(Shyly)

We kind of ran in to each other last year for a moment in
time, but I'm sure you don't remember.

STEVE

(A big smile appears on his
face.)

Hi I'm STEVE KAZLONOVAVICH. My friends call me Kazlo. We were
in line together for last years band in the afternoon. Then
you mixed in with the crowd. I didn't see you after that.
They were good but it got so crowded with them west high
kids, I went to check out some of the other stuff that was
going on.

TIFFANY

(As her eyes open with
curiosity)

Well I like STEVE. So I'll call you that, if I could still be
your friend?

STEVE

You can call me Al for all I care.

(They both laugh.)

TIFFANY

Yeah, they were a west side group. It did get so bad that people were just standing in the way on the dance floor. So we just had to watch the show. I can't wait for tonight. He's a real big time local star. I just love Capptann Cameeleeann. I have all of his albums.

STEVE

He's the only reason I came back this year. Hopefully it's a good show and it's worth our time. Sometimes you just never know what we could be in store for?

And you should check out these new things called compact disc's. They're better than vinyl and will last forever. I heard about them in this new class I'm taking about computer's. It like the Jetson's!

(Both laugh.)

This new thing for business is called the in-ter-net. It's going to revolutionize life for people who work in offices. They can send all their paper work, all the way across the country and it can be there in five minutes using the phone lines.

TIFFANY

Wow, five minutes, That's like an electronic mail person. But what good will it ever be for normal people at home. Paying bills without having to go to the mailbox. That's ludicrous!

(Both laugh.)

STEVE

Well rumor has it, there is this one company that will take over the whole system with a service they are working on. The joke is that they will take over our lives by spying on and controlling everything. Monitoring us daily. Knowing what you did and then telling you what you now like. It'll even talk to you.

It's called A O L.

TIFFANY

That's interesting, you know a lot. Well if you stick around this time, and there's room I'll save a dance for you.

STEVE

As tempting as that sounds, I have enough problems without them knowing that I dance too.

Are you trying to get me in more trouble with the guys around here.

Me showing them up on the dance floor with my moves "and" getting the prettiest girl at the picnic. Getting me bullied even more isn't the best way to start our relationship. Ha Ha Ha!

(STEVE smiling widely.)

(TIFFANY blushes.)

TIFFANY

So what else should I know about you that you don't want me to tell anyone. What other secrets are you keeping.

STEVE

I take electronics at the Tech Center but my real passion is car racing.

TIFFANY

(Curiously)

So you're one of those who has the need for speed?

(Chuckling)

STEVE

Speed is great for big tracks like racin' at Daytona. But I race on what is known as a bull ring, a short little track. Our wrecks may not be as big up ahead, but it is so much likely that you will be pushed around then gored in the back, hence the name.

TIFFANY
(Lovingly, not quite under
her breath.)

Funny and wise.

(STEVE embarrassed.)

STEVE
What about you. Who is TIFFANY LODEN?

TIFFANY
I'm a senior at Avondale Prep, my parents both work at
Tuttleton's. And I'm off to college, down to Uniondale after
I graduate this year.

STEVE
I'll be graduating this year too. Me, I get to work for a
living.

TIFFANY
Well I should get going I'm sure my friend is wondering
what's taking so long. So hopefully I'll see you at the dance
tonight.

(Playfully)
Bye STEVE.

TIFFANY crosses back to KAYCEE.

STEVE to front center stage. Stage
lights go dark with spotlight on
STEVE.

SINGERS back of stage in darkness.
TIFFANY and KAYCEE talk at side of
stage.

SONG: LIFE'S HELD TOGETHER WITH
CRAZY GLUE

STEVE SINGERS SOLO

(STEVE) (***SINGERS***) (SOLO)

GET UP IN THE MORNING IN A DAZE
EVERYTHING'S LOOKING QUITE THE SAME
ANOTHER DAY IN THIS JUNGLE MAZE
PLAYING THIS MESSED UP STUPID GAME
START THE DAY THEN OUT THE DOOR
OUT INTO THE WORLD YOU DO EXPLORE
A SCREWED UP PLACE COMES INTO VIEW
LIFE'S HELD TOGETHER WITH CRAZY GLUE
THE DAY ROLLS ON INTO THE NIGHT
BRINGING ON A SCARY SIGHT
THIS IS CALLED THE DATING SCENE
SOME SORT OF FOOLISH FRIGHTENING SCHEME
AN EVIL PLOT BY SOME KIND OF GENIUS
ATTEMPTS TO CONFUSE THE MALE PIECES
IT DOESN'T MATTER WHAT YOU DO
LIFE'S HELD TOGETHER WITH CRAZY GLUE
IT DOESN'T MATTER WHAT YOU WHAT YOU THINK
KEEP YOUR EYES OPEN
JUST DON'T BLINK

STEVE looks over shoulder, SINGERS
slide to other direction.

It doesn't matter what you what you do

Love will only confuse you too

STEVE looks over other shoulder,
SINGERS slide to opposite direction.

Little by little you figure it out

Or do you

Little by little you figure it out

Do you

Ha Ha Ha Ha

(STEVE looks scared.)

SINGERS begin line dance.

More and more confused Completely mystified

A feeling that is one of a kind

It will only blow your mind

Feeling more and more confused more and more mystified

Little by little you figure it out

Or do you

Little by little you figure it out

Do you

Little by little you figure it out

Really

Little by little you lose your mind

Yes you do

So where do I go from here

Climb up that mountain and then back down

Life will treat you as

As such a freakin' clown

Jump in that fountain before it runs dry

Life can never stop you before the day you die

The game of life and the and the dating scene

Foolish frightening strife a really evil scheme

The game of life and the and this insane scene

Foolish frightening strife a really scary dream

Climb up that mountain and then back down again

Life will treat you as

As a stinkin' pin cushion

STEVE exits

SINGERS scatter.

TIFFANY and KAYCEE walk to front
center stage.

KAYCEE

Well where's my drink?

(TIFFANY somewhat dazed.)

TIFFANY

Oh I forgot to grab it? I got all caught up in our talk. I'll go back and get you one.

KAYCEE

Hold on girlfriend, what happened? What's got you all flustered?

TIFFANY

(Defiantly)

I am not all flustered!

(Calmly)

It's just, well, he's not what everyone thinks.

(Passionately)

He is so much more than what they believe.

KAYCEE

So tell me all about him. Come on girl spill the beans.

TIFFANY

He's a charming prince of my dreams.

KAYCEE

Do you know what you are getting in to?

TIFFANY

I think so?

KAYCEE

Are you sure?

TIFFANY

I got it.

KAYCEE

Really?

SONG: GOT IT©2022

KAYCEE TIFFANY

(KAYCEE) (***TIFFANY***)

ARRRRRE YOOOOOOU SUUURRRRE

I GOT IT

ARE YOU SURE

GOT IT

YOU REALLY KNOW

GOT IT

ARE YOU SURE

GOT IT

YOU REALLY KNOW

GOT IT

ARE YOU SURE

ARE YOU SURE YOU REALLY KNOW

HOW THIS GAME OF LOVE'S PLAYED

THERE ARE THINGS IN THAT SHOW

THAT CAN GET YOUR HEART SLAYED

YOU REALLY NEED TO KNOW

WHAT YOU'RE GETTING IN TO

I'D HATE TO SEE YOU SO LOW

AND TURN A SHADE OF DEEP BLUE

GIVE IT A GO PUT YOUR HEART IN TO IT TAKE A
BIG CHANCE ON THIS NEW CANDLE YOU LIT

YOU'LL NEVER KNOW
SO GIVE IT A GO
ONLY WAY YOU SHOULD START
IN THIS JUNGLE AND MAZE
IS TO LISTEN TO YOUR HEART
AND KEEP THE FIRE ABLAZE
THE WAY TO SURVIVE
IN THIS GAME YOU MUST DO
TO COME OUT ALIVE
WITH A LOVE THAT'S SO TRUE
TAKE THE CHANCE YOU'LL NEVER REGRET IT
FIGURATIVELY
LITERALLY
WITH THE RIGHT FIT
YOU MUST COMMIT
IMPERATIVELY
SOWING SEEDS THAT YOU PLANTED
ATTENTION MUST COME THRU
NEVER TAKE THEM FOR GRANTED
WHAT THEY DO MEAN TO YOU
KEEP IT SET IN YOUR SIGHT

TO HAVE A LOVE THAT'S AGLOW

YOU MUST PUT UP A FIGHT

THAT IS ALL YOU NEED TO KNOW

TIFFANY

He's cute, and funny. He cooks, bakes, has a great head on his shoulders. He's sensitive. Plus he races cars.

KAYCEE

That had to get your engine revving?

TIFFANY

He is so wise but in a passionate way. He's not arrogant like all these other guys. He's so down to earth.

(Nonchalantly)

Oh, and I asked him to dance with me tonight.

(KAYCEE looks amazed.)

KAYCEE

You did what? What did say?

TIFFANY

It sounded a little strange but he said

(In a STEVE voice.)

"You're just trying to get me in more trouble with the guys around here. Me showing them up on the dance floor with my moves and getting prettiest girl at the picnic. But getting me bullied even more isn't the best way to start our relationship".

Funny right?

KAYCEE

(eyebrows raised)

He said what?

TIFFANY

That I was just trying to get him in more trouble the guys around here, by showing them up on the dance floor with his moves.

KAYCEE

Did you really hear what he said?

TIFFANY

Yeah. He said You're just trying to get me in more trouble with the guys around here. Him showing them up on the dance floor with his moves and getting prettiest girl at the picnic. Getting him bullied even more isn't the best way to start our rela...

(A look of utter amazement
on her face)

KAYCEE

Exactly! Why did he say our?

(As they stare at each other)

TIFFANY and KAYCEE exit.

STEVE and DILLON enter to center stage.

DILLON

Kazlo, I saw you talking with her. So what's up? Who is she? What's she like?

STEVE

She's a senior this year at Avondale, she's pretty and smart. She'll be going to college after she graduates. And she asked me to dance with her tonight at the concert.

DILLON

Dude you gotta' go.

STEVE

What chance do I have? What if it's a set-up, you know a joke on me. You said they're all stuck up. If she is there I'll embarrass myself somehow. If I'm lucky to even get passed this night, she'll go off to college and I won't see her again.

A dance? Then I get to live with that abuse from now on.

DILLON

That's not the right spirit. She asked you.

STEVE

But what if I embarrass myself?

DILLON

She asked you!

When love comes a callin', just connect the line, it could be quite enthralling.

SONG: RUNNING OF THE BULLS

DILLON taps him on the shoulder.

DILLON

You gotta' give it a go, bro!

STEVE and DILLON exit.

Stage goes dark.

TIFFANY and KAYCEE enter
 to front center stage,
 spotlight shines on them.

KAYCEE

Time is getting close, how are you feeling? Do you think he will show?

(Sorrowfully)

TIFFANY

Oh what have I done. I'm gonna' make a fool out of myself either way. If he shows up everyone is going to be staring at the freaks. If he doesn't, well that's a different stain on my soul.

SONG: WHY

TIFFANY

OH WHAT HAVE I DONE

OH WHAT HAVE I DONE

NOW WHAT CAN

CAN I DO

CAN I DO CAN I DO CAN I DO

DID NOT MEAN FOR THIS TO HAPPEN

ALL I WANTED WAS A DRINK AND

LEAVE MY BORING, LONELY BORING DAY BEHIND

A LONELY DAY BEHIND

THEN GO FACE A LONELY EXCITING NIGHT

THEN MY HEART WAS TAKEN BY

CHANCE ENCOUNTER WITH THIS GUY

HIDDEN SECRETS I CANNOT FAKE TO HIM

WHY DID I RETURN

WHY'D I FALL FOR HIM

WHY'D HE WOULD HE BELIEVE

WHY GIVE IN TO WHIM

WHY RUIN LIVES

WHY SHOULD WE BEGIN

WHY TAKE THIS CHANCE

JUST FOR LOVING

WHY'D I FALL FOR HIM

WHY GIVE IN TO WHIM

WHY TAKE THIS CHANCE

JUST FOR LOVING

WHY DID I RETURN

WHY WOULD HE BELIEVE

WHY RUIN LIVES

JUST FOR LOVING HIM

OH WHY OH WHY

JUST FOR LOVING HIM

OH WHY

JUST FOR LOVING

JUST FOR LOVING HIM

WHY

WHY

WHY

KAYCEE

(Confidently)

Girl, don't you think like that. You're pretty, smart, funny.
Who cares what "they" think, all that matters is what you
think about yourself.

(TIFFANY looks at KAYCEE,
smiles and nods yes.)

TIFFANY and KAYCEE exit.

Stage lights go dark.

STEVE enters. Spotlight shines on
him.

STEVE

(STEVE talking to himself.)

Dude ask yourself, what are you getting in to? If we meet up
it'll be like a freak show for all of them. They'll be
laughing at us.

If she's not there, that's just even too cruel for fate to do
to me.

(Poetically and boldly.)

To go or not to go, that...

(Angrily)

is a really stupid question.

Great Grandma Rosalita be with me tonight, I will need you.

SONG: SANGRE LATINA

STEVE

IT FLOWS THRU MY VEINS

ALWAYS DRIVING ME INSANE

SHAPING THIS WORLD THAT I SEE

MAKING A MUSIC MAN OUT OF ME

IT FLOWS THRU MY VEINS

CONSTANTLY DRIVING ME INSANE

SKEWING EVERYTHING THAT I SEE

MAKING A MUSIC MAN OUT OF ME

SANGRE LATINA BURROWS SO DEEP IN TO MY BONES

MY HEART STARTS SO PUMPING WILDLY EMOTIONS
I CANNOT CONTROL

ALL OVER THE DANCE FLOOR AND THRU MY FANCY
FEET

A TIMID HEART AND LATINO BLOOD WHEN THEY
BOTH MEET

IT FLOWS THRU MY VEINS

DRIVING ALL THE WOMEN INSANE

MEN ANGERED BY ALL THEY SEE OUT OF ME

SANGRE LATINA IS SO MUCH A PART OF ME

WITHOUT IT I DON'T KNOW WHO OR WHAT I WOULD
BE

LATINO BLOOD IS SUCH A GIFT FROM SOMEWHERE
HIGH ABOVE

GIVING IT ALL AWAY WITH SO MUCH MORE THAN
LOVE

SANGRE LATINA FILLS UP MY VEINS

BRINGS ON SUCH HAPPINESS TAKES AWAY ALL MY
PAINS

IT FLOWS THRU MY VEINS

CONSTANTLY DRIVING ME INSANE

SKEWING THE WORLD THAT I SEE

MAKING A MUSIC MAN OUT OF ME

SANGRE LATINA BURROWS DEEP IN EVERY BONE

MY HEART STARTS PUMPING WILDLY UNTIL I
FINALLY EXPLODE

ALL OVER THE DANCE FLOOR AND TOUT OF MY
FANCY FEET

A TIMID HEART AND LATINO BLOOD WHEN THEY
BOTH MEET

SANGRE LATINA

SANGRE LATINA

SANGRE LATINA

SANGRE LATINA DEEP IN EVERY BONE

MY HEART STARTS PUMPING SO WILDLY EMOTIONS
I CANNOT CONTROL COME SEE ME EXPLODE

STEVE

Oh what am I getting myself in to?

STEVE exits.

SINGERS, DILLON and KAYCEE slowly enter and mill about stage, talking to each other.

THANK YOU EVERYONE

THANK YOU EVERYONE

STEVE

Right now I would like to tell you a story. A love story.

A young woman out in the world comes to a "fork in the road", she normally goes to the right, but today feels compelled to take the left path. "Spring is in the air".

As she heads down this road she comes across a young man at the park. They meet, they talk, they become friends.

They start a relationship and begin dating. Their families are both excited.

They "Take the plunge". They raise a wonderful family, who intern raise wonderful families and go on to create many memories. Then we look long into the future where these two "love birds", surrounded by family, complete their "final vows" within mere moments of each other after a lifetime of memories. Lying in bed, arm in arm... watching Matlock.
....'Cuz "Old People" love Matlock.

I wish I can tell you that that is how our story will end but I can't. Because our end does not exist, but hopefully fate will give us that moment in time.

Today is about making memories. Memories are everywhere.

Every relationship, every life has them. Some good, some bad, some happy, some sad. Some you hope no one will remember. Those we pray we never ever forget. Memories. Well TIFFANY and I have created our own memories and tonight we hope to make so many more with you, until our final episode of Matlock plays.

First I would like to thank my parents, Bill and Bonnie Barlett, for everything they have done to get me here today. I know I may have been a handful at times but your love and support lead me thru to this day.

And know that in your golden years I will repay that many folds over. So when the day comes that you are unable to take care of yourselves, we will gladly pay for a beautiful facility for "Old People". Somewhere south of here, maybe not Florida but they will have "early bird specials".

At least on weekdays.

Mom, Dad thank you for.... you know what you did to make me.

With a sly look to audience.

I would also like to thank my new parents, Lawrence and Laurie Loden. For allowing me in to their lives and allowing TIFFANY in to mine.

And it brings to mind that first day we met. They had me over for a summer barbecue where he gave my pointers on a good marriage. This man cared enough about his daughter that he even gave me ideas for a theme wedding he would prefer.

He mentioned something about keeping that memory forever.

And as much as I respected his idea I did pass, but I do thank him for "not" gutting me like a deer and feeding me to the dogs next door.

Although Lawrence would have had one framed for above the fireplace I don't think anyone else would want to see that wedding theme in photos.

TIFFANY rises and moves next to
STEVE and takes microphone.

TIFFANY

I would like to add a few of my thoughts and thank you's.

First mom and dad, thank you

(With a shocked look.)

for not gutting him?

TIFFANY looks to STEVE for
confirmation.

STEVE nods yes.

That really explains a few things from my childhood? The nightmares, the evil games.

STEVE looks inquisitively at
TIFFANY.

TIFFANY talking to STEVE forgetting
the guest's are there.

There were the scary "Old People" constantly making me cry by stealing my nose and then laughing about it. And after that they would send me off to a bed filled insects that were going to eat me alive. Again laughing about me having to fend them off all night long.

Looking a little agitated.

Oh this one went on for years, they'd drag me out in the middle of winter to some sort of Calcutta auction for kids and set me on the lap of a burglar.

Make me take pictures with him, after "he" tried to steal my nose. And I had to give him a list of toys. This fat man would break into our house at night and he would take my toys because he thought I was bad, and eat all our cookies and milk. And in his twisted ways he would leave us lumps of coal! Coal? I mean we can't even use it, they say it's bad for the planets soul?

VOICE

Solar really is the only way to go!

STEVE looking more confused.

TIFFANY

(Poetically)

And my pet went to the farm, when it dies. Sitting too close to the TV is bad for the eyes. Plus they would pop out if left open when I sneeze. Or catch my death cold from going outside with wet hair in a freeze. And the doozey that really boggles my mind.

VOICE

(In screechy "Old People" voice.)

Stop that, keep it up and you'll go blind!

TIFFANY

They really are sick evi...

STEVE cuts her off mid word,
pointing to the audience.

STEVE

Dear, the guest's? This might not be the best time?

TIFFANY

Oh, right.

(Nonchalantly like nothing
just happened.)

And for all the love you provided me with and believing in my dreams. I love you.

And to my new parents, you did an outstanding job raising your son to be a man. And Laurie a special thank you... for teaching him to cook. That's the only present I will ever need from you.

And when we are able to give you grand kids I will gladly allow you to babysit and help raise them.

Because after what I just put together,

Pointing to her parents.

I'm not sure I want to give our children nightmares by letting them spend the night over their house.

To KAYCEE for being such a wonderful friend. We got each other through many tough times. And DILLON, you too for always being there when he really needed it.

Finally to this wonderful man, my husband. Thank you for that first dance. You forever changed my world with the courage you showed to face the whispers, the remarks and just plain ugliness we both knew we would face for just wanting to be together. I could not imagine a life with out you.

SINGERS stop dancing face audience.
Brush themselves off and then sit
down like nothing happened.

Steve looks at Tiffany like "What
the hell was that about".

Kaycee sits looks at Tiffany
expressing how good that felt to
let out.

STEVE

It sounds like some of you are getting a little anxious, so
I'll finish up here.

Applause from one guest.

STEVE gives him the evil eye.

See if I invite you to my next wedding, toast. Wedding toast.
I need to thank our Maid of honor and Best man. KAYCEE GREEN
and DILLON DELUDE.

Applause

STEVE moves next KAYCEE.

KAYCEE was an easy selection. Her and TIFFANY go back to
grade school. And they lived down the street from each other.

And we have become close too.

And someday, someday, somehow I will repay you for all of the love you showed both of us.

Now for the Best man, how do I fill it. Sibling or friend?

STEVE stands there thinking for a moment then points to DILLON.

I'm not sure why he's sitting there.

Was there an emotional or traumatic event that we bonded over? Sure I knew him for few years. But nothing major. Sure we'd hang out when we could but I'm from the other side of the river so it's not like we were close by.

Well, after all sorts of thought and when there are no clear answers you end up listening to that little voice in your head.

Glancing sternly at the crowd.

I said voice, not voices. Besides I don't hear voices... I have conversations with friends.

I'm talking about your conscience. Tells you "right from wrong", "leads you down the right path". That little voice in my head.

Glancing towards TIFFANY.

And she said.

TIFFANY

He's her boyfriend, that's why!!!

STEVE

Yes they are dating, got together a little while after us. And wouldn't that have been interesting if they were fighting or broke up?

I'm not sure if that answers anything but this is where it was headed. A Best Man is the man who best fits that relationship. Has become part of the relationship. I can't think of the specific reason as to when or why he became my, our Best Man. But he ended up being our fourth pea because he became part of this pod.

STEVE moving to head table next to
KAYCEE.

I thought about a little wisdom that I would like pass along to him. I know I've never been told this, but this meaning is so very powerful. And it is only just 4 simple words. It will change his life forever. I can only imagine that a lot of you have heard this, and DILLON, if this is not the first time you've heard it then take it for the knowledge it holds and with the love it is given.

STEVE clearing throat.

DILLON, Buy Her A Ring!

STEVE bends to hold KAYCEE'S hand,
gives it kiss and tells her.

You are welcome!

STEVE escorts TIFFANY to center
stage holding her hand.

You may have heard some cliches tonight and the granddaddy of all, I think, is "When two become one". And that happens when you find your soul mate or get married. I never understood what that really meant until we met. Unless you're cannibals from Brazil I never knew how that is possible?

I saw the eyes raise, cannibals? Fine if you don't want to think. When they stuff a white explorer in their belly,... two becomes one.

But when you reach this apex of love there is no longer you and I. It is us, and not just us but

(in a God like voice)

US.

And from that moment I have not looked at us the same way. So in closing, we would like to thank you all for coming tonight and making these memories with us.

SINGERS stand and gather behind
STEVE and TIFFANY.

STEVE asks the DJ.

Burgess, some mood lighting please,

Stage darkens spotlight shines on
 STEVE and TIFFANY.
 and now the music.

Curtain call

SINGERS still lined up, step
forward take their bows in pairs.

HENRIETTA and DJ step forward for bow.

KAYCEE and DILLON step forward for bow.

TIFFANY and STEVE step forward for bow.

Everyone lines up and takes bow together.

TIFFANY steps forward.

TIFFANY

Thank you all. You were a great guests. You played your parts well, [*especially this section*]. We hope you enjoyed yourselves. If you did, please tell your friends about us. If you didn't... tell the people you don't like.

Friends, I must ask you to hold your applause until I am done, and then I will ask a favor from you.

(Loudly)

Minions!

Stage hands enter from side of stage, proceed across the front waving at audience, then line up at rear of stage.

Just ignore them, we do!

Ladies and gentlemen at this point in the show you, and we, would expect us to thank you all for coming tonight. But I have been told not to.

(Looking befuddled)

Yeah that's the same look I had too. But then he explained it in his twisted way of looking at life. And now I must thank him for a new phobia that he placed in my mind.

As some of you may know, actors may be a bit superstitious. Might have a few quirks of their own. Well this writer is in a league of his own with things like that and this is one that I don't think most of us ever thought of this way.

The intermission.

Some of you know where this is heading, the intermission or as he likes to call it, the escape hatch. It's your chance to get out of this crappy show without being noticed.

And our new fear, when the curtain opens to start the second Act, there are 10 people left in the seats. So, thanks Steve! I haven't slept good in weeks!

But as hard as it is to get you to come here, in his world he thinks that is the easy part.

The hard part is getting you to come back from intermission. So from the bottom of our hearts and especially his, thank you all for staying 'til the end of the show. Thank you so very much!

Cast and Crew applauds audience.

And now to them.

Pointing at crew with thumb over shoulder.

POEM:

THESE ARE THE STARS, WHO NEVER MAY BE

HIDDEN BEHIND THE CURTAIN, WHERE YOU DON'T
SEE.

WE ABUSE THEM, WE NEGLECT THEM TOO

WE OVERLOOK THEM AND WE "EXPECT" THEM,
RIGHT ON CUE.

BUT WITHOUT THEM ALWAYS, STAYING SO NEAR

TONIGHT WOULD NEVER HAPPEN, WE WOULD NOT BE
HERE.

When I or we make a mistake, you get a good laugh from it or we get a high five and a "nice recovery" back stage afterwards.

But when these folks screw up with a prop or costume, we think it's a complete disaster. But they are great and haven't.

Also to the ushers who keep this place from turning into a mosh pit fighting for the best seats.

And to our audio, video and lighting guys, (*who happen to be some wonderful women*). They may never get the opportunity to enjoy this side of the spotlight, but without all of them, we would be up here in our underwear, singing a-Capella, in the dark.

So if you would please, rise with us and give these unsung heroes, their moment in time.

CAST turns to and applauds Crew.

Tonight in it's own unique way is about memories.

(Poetically)

POEM:

SOME GOOD, SOME BAD SOME HAPPY, SOME SAD

THE ONES WE HOPE NO ONE WILL REMEMBER

THOSE WE PRAY, THAT WE WILL NEVER EVER
FORGET

YET WE PRETEND TO BELIEVE BUT DEEP DOWN
INSIDE

WE KNOW, THAT IT'S REALLY NOT TRUE

THAT WE WILL ALWAYS HAVE ENOUGH TIME TO MAKE

TO MAKE SO MANY MORE MEMORIES, WITH YOU

SO BEHIND US ON THE SCREEN YOU WILL SEE

THOUGHTS THAT WE WILL NEVER LET FADE

THESE ARE SOME OF OUR DEAREST MEMORIES

...THAT CAN NO LONGER AGAIN BE MADE

Please add yours up there too!

THIS IS FOR ALL OF OUR LOVED ONES

WHO ARE NOW HOLDING GOD'S HAND
