### **Scene 1: Prologue**

*Lights up on Kevin in his bedroom, laying in bed sleeping next to his phone. Suddenly it rings and lights come up on Anna. He reads the text.*

**Anna:** Kevin I need to talk to you! I can't think of anyone else to come to. Please text me back immediately!

**Kevin:** Anna what's-

*Kevin's phone rings again and lights come up on Emily. Kevin reads the text.*

**Anna & Emily:** Kevin I need to talk to you!

**Emily:** I need you to talk me out of something.

**Anna & Emily:** Please text me back immediately!

**Kevin:** Hold on I-

*Kevin's phone rings again and lights come up on Kaily. Kevin reads the text.*

**Kaily, Anna & Emily:** Kevin I need to talk to you!

**Kaily:** I'm feeling really pressured and I really need to blow off some steam.

**Kaily, Anna & Emily:** Please text me back immediately!

**Kevin:** Wait just-

*Kevin's phone rings yet again and lights come up on Sarah. He reads the text.*

**Sarah, Kaily, Anna & Emily:** Kevin I need to talk to you!

**Sarah:** I had a pretty crappy day. Can we talk?

**Sarah, Kaily, Anna & Emily:** Please text me back immediately!

**Kevin:** Hold on, I-

**Sarah, Kaily, Anna & Emily:** *(It starts out small, but every time they say his name it builds up. They should be yelling by the last one.)*

Kevin. Kevin. Kevin. Kevin.

Kevin. Kevin. Kevin. Kevin.

Kevin! Kevin! Kevin! Kevin!

Kevin!! Kevin!! Kevin!! Kevin!!

*Kevin yells and throws his phone off stage and all lights go out except for the one on Kevin. There is silence as he holds his head trying to calm down. He looks up and looks out to the audience.*

**Kevin:** Why me? *(Pause.)* Why am I the one people come to? What's so special about me? Do they just think I don't have problems of my own? Do they just think I'm their savior? People need to realize that even a savior needs saving. Like Jesus. He helped so many people, but when he was getting crucified, nobody tried to stop it. I have done so much for them, but when I needed them, were they there for me?

*Blackout.*
