

# Mic Belts

Sunday, August 01, 2010  
9:44 PM

**Width:** Wide elastic: 1.5" to 3" wide

**Length:** actual length for waist size, then range is 4 to 6" longer  
So, lengths to use: 21" (21 - 26); 24" (24-28); 28" (28-32); 30" (30-34); 37" (37-48)

**Fabric for pocket:** Felt works (but sticks to velcro); muslin good; any cotton really will work

**Velcro:** Wide pieces sewn onto elastic; smaller size for pocket top; SEW on type velcro

**POCKET:** 4" W x 7" L; serge or zig zag edges; straight stitch around sides; leave TAB at top to sew to elastic; sew in velcro at top BEFORE folding over to sew together pocket
